Details: The VSOC are showcasing around 50 qualifying bikes and promoting our club to 10,000 attending sports fans and a national TV audience at Allianz Park Sports Stadium - home of Saracens Rugby Club. A small advance party will set up a large marquee on a patio area inside the stadium. The 48 of you that have indicated you are attending are invited to assemble at South Mimms Service Area from where they will depart at 11.30hrs to be led by the VSOC Chairman along a designated route into the stadium. Upon arrival bikes will be parked on display at the marquee which will be frequented by public & players. We anticipate BT Sport and ITV using the marquee for their broadcasts. 2 big screens will broadcast activity to fans inside the ground and a full page article in the match day programme will promote our club. Selected bikes will be invited to form a Guard of Honour to welcome the teams onto the pitch. We expect the day will conclude around 17.00hrs – flexible departure is permitted. Please let me know if you are riding to the stadium directly and not joining the ride in. Hope to see you there for a spectacular start to the VSOC season.
